

EBOOK MARKETING GUIDE

₹0 to Your First Sale

Who buys it, what to charge, and how to reach them, so you don't have to guess.

1 Buyer persona

Name	"Side-hustle Sneha"
Age	20–32
Where	Tier-2 & Tier-3 cities, also metros
Who	College students, freshers, homemakers, salaried people earning ₹15k–₹35k a month
Phone life	Instagram Reels, WhatsApp, YouTube; pays with UPI

"I want to earn something of my own online, but I don't want to lose money or get scammed."

PAINS

- Wants extra income but has no money to invest
- Confused by "make money online" videos
- Scared of looking foolish in front of family and friends

DESIRES

- A first ₹1,000 earned online, proof that it works
- A simple step-by-step plan for the phone
- Independence: money that is "mine"

2 Pricing that fits this buyer

Impulse price

₹99

Best for cold ads and Reels traffic

Recommended

₹149

Feels cheap next to the "first sale" promise

With a bonus

₹199

Add a checklist or template to justify it

3 Objections to answer in your post

- **"Is it a scam?"** Show the contents page and 2–3 inside pages in your Reel or post.
- **"Do I need money to start?"** Lead with the ₹0 angle: phone + Instagram + WhatsApp is enough.
- **"Will it work in my city?"** Point to the Indian, UPI-based examples inside the book.

4 Ad targeting (Meta: Facebook & Instagram)

Location	India (start broad, then test top states)
Age	20–35
Gender	All (test women-only as a 2nd ad set)
Language	English, Hindi

Entrepreneurship Small business
Work from home Self-employment
Digital marketing Instagram Online shopping

AVOID

Very narrow stacks Age 45+
Audience Network at first

5 Ad angles & hooks

The ₹0 start

“No website. No investment. Just your phone. Here’s how people are making their first online sale.”

Proof over hype

“Not a ‘get rich quick’ video. A 7–step plan you can finish this weekend.”

Mine, not theirs

“Imagine the first UPI notification that’s from *your* own product.”

6 Ready caption (copy, paste, edit)

Want to earn your first ₹1,000 online, without spending a rupee to start? 📱

This ebook shows the 7 steps: pick a product, post it on Instagram, take payment on UPI, deliver on WhatsApp.
